

Generic Flags for Crossfire Objectives

Steven Thomas

I use flags to mark terrain objectives in my Crossfire games. When possible I use appropriate national flags for the protagonists. These flags are generic so can be used in any period.

Instructions:

1. Print out the flags
2. Spray with matt varnish
3. Cut out the flags with a craft knife.
4. Glue to flag pole of choice.

Sometimes I have Major and Minor Objectives.

Major Objective	Major Objective	Major Objective	Major Objective
Major Objective	Major Objective	Major Objective	Major Objective
Major Objective	Major Objective	Major Objective	Major Objective
Major Objective	Major Objective	Major Objective	Major Objective

Minor Objective	Minor Objective	Minor Objective	Minor Objective
Minor Objective	Minor Objective	Minor Objective	Minor Objective
Minor Objective	Minor Objective	Minor Objective	Minor Objective
Minor Objective	Minor Objective	Minor Objective	Minor Objective
Minor Objective	Minor Objective	Minor Objective	Minor Objective
Minor Objective	Minor Objective	Minor Objective	Minor Objective
Minor Objective	Minor Objective	Minor Objective	Minor Objective
Minor Objective	Minor Objective	Minor Objective	Minor Objective
